

Music Technology

Mr. Habersat

Bhabersat@olchs.org

Mr. Levy

Plevy@olchs.org

Course Description:

Music Technology provides students with a basic knowledge of electronic music production, live sound, and recording. Students will explore sound production, music theory, studio recording techniques and basic musical keyboarding skills in a creative environment using the program Garageband. Every unit in the class is broken down into projects where students will learn to create with a given set of rules individually and in collaboration with others

Materials Needed:

- Headphones (1/8")
- Charged iPad

Grading Procedures *(Please review OLCHS Student Handbook, pg. 5):*

Scale: A = 90 – 100

B = 80 – 89

C = 70 – 79

D = 60 – 69

F = 59 and below

Coursework Grade Breakdown:

Projects 50%

Participation 25%

Written Tests 25%

Final Exam 20%

Homework:

All work is to be finished during class time. There is no assigned homework. If a student has not completed an assignment during class time, it may be assigned for homework.

Bathroom Passes:

Four bathroom passes are given for the semester. The amount of bathroom passes not used at the end of the semester turn into extra credit on the final exam.

Classroom Management:

- **RESPECT:** It is very important that we respect each other. Music is a great opportunity for students to express themselves, and it is important that everyone feels comfortable in the classroom. Any negative comments or inappropriate behaviors will not be tolerated. Such behaviors include, but are not limited to talking at inappropriate times, being disruptive, making negative comments towards someone or their musical ability, or destruction of school property.
- **Class Time:** Class begins when the bell rings. Students are expected to have their book and be in the classroom by the time the bell rings. **Cell phones should not be visible at any time.** Students who have their cell phones out in class will have them taken away and they can be retrieved at the end of the day
- **Hall Passes/Sign-In Sheet:** Please use the bathroom and stop at the drinking fountain before class. You must sign in and out on the class sign-in sheet when entering or leaving the room during class. Make sure to also write down the date and time for your protection.
- **Attendance:** Because most of the work is done in the classroom with the guitars, it is crucial that you attend class. You will receive *5 participation points* each day for being on time, having your class materials, and fully participating in the daily class activities. Excessive absences will negatively affect the participation portion of your grade. In addition, students who have unexcused absences will not be able to receive credit for work that they missed that day. It is your responsibility to see me concerning make-up work for excused absences. If you know that you will be absent, please get your assignment BEFORE the absence.
- **Make-up/Late Work:** Make-up work is due the day following your return to school unless other arrangements are made with me. For each day an assignment is late, the assignment will drop one letter grade.
- **Teacher Assistance:** I am available before and after school for students who need extra assistance in the class. Please see me to schedule an appointment.
- **iPads:** iPads should be used as instructed by the teacher. Using the iPads for anything besides school work will result in possible removal of access of certain apps and restricted internet availability.
