Project 6: Editing MIDI Loops

Instructions. Students will create a composition by editing pre-made MIDI loops in Garageband. A minimum of 5 instruments should be used and all clips need to be in the same relative key. At least 3 basic midi transformations need to occur (transposition, rhythmic alteration, or note alteration). The song should be a minimum of 1 minute in length and should include regular phrase lengths.

| | 1 | 2 | 3 | 4 |
|---------------------|--|---------------------------------------|--|--|
| MIDI Transformation | No MIDI alterations were used | One MIDI alteration was used | Two MIDI alterations were used | There is at least one note alteration, rhythmic alteration, and transposition. |
| Song Length | Less than 30 seconds | :30-:44 | :45-:59 | 1 or more minutes |
| Instrument Tracks | All audio tracks | 1-2 MIDI track with most audio tracks | 3-4 MIDI tracks with some audio tracks | 5 or more MIDI instrument tracks |
| Phrase Length | Phrases are not regular and there is no form | Some phrases are regular | Most phrases are regular in length | All phrases are regular in length |
