

Chord Progression Project

Name _____

Class Period _____

Name of composition: _____

Write the chord progression that you are recording below....

| | | | | |
|-------------------------|--|--|--|--|
| Roman Numeral | | | | |
| Highest Note | | | | |
| Middle Note | | | | |
| Lowest Note | | | | |
| Bass (Root of Chord) | | | | |

Make sure your composition follows this criteria:

1. The chord progression has one of each of the following chords: I, IV, V, vi
2. The song is performed with a steady beat (use metronome)
3. You have at least 4 separate tracks (keyboard, bass, drums, and something else)
4. Your progression follows the two rules of chord progressions.

Assignment due Wednesday 11/3
